

57th Winter Nuclear & Particle Physics Conference

Conference Opening

Blair Jamieson <bl.jamieson@uwinnipeg.ca>

WNPPC 2020

THE UNIVERSITY OF
WINNIPEG

Banff, 13– 16 February 2020

Agenda

- **Welcome**
- **Talk logistics**
- **Meals, banquet and reception**
- **Safety**
- **Conference photo**
- **Student prizes**

Welcome

- **Welcome to Banff!**
- **This is the 57th year of running WNPPC**
- **Thanks to our sponsors**
 - **TRIUMF, University of Winnipeg, IPP, CINP, and CAP**
 - **Helps keep student registration costs low**
- **You will note this room has no convenient power**
 - **Please take this as a hint to pay attention to the talks!**
 - **If you need to bring a device (to view the talks on your own screen), make sure it is already charged!**

Talk logistics

- All talks downloaded **prior to the session** to conference laptop
- **Please upload your talks to:**

<https://meetings.triumf.ca/indico/event/100/timetable>

The screenshot shows a web browser window with the URL <https://meetings.triumf.ca/indico/event/100/timetable/#20200213>. The page title is "WNPPC2020 - 57th Winter Nuclear Particle Physics Conference". The main content area has a blue header with the text "WNPPC2020 - 57th Winter Nuclear Particle Physics Conference" repeated. Below this, the dates "13-16 February 2020" and location "Banff Centre" are displayed, along with the timezone "America/Edmonton".

The screenshot shows the Indico timetable interface. The left sidebar contains a navigation menu with the following items: Overview, Scientific Programme, Call for Abstracts (with sub-items "View my Abstracts" and "Submit Abstract"), Timetable, TRIUMF WNPPC2020 Registration, WNPPC2020 Webpage, Contribution List, and Author List. The main content area shows a calendar view for "Thu 13/02". A yellow event box is displayed for the "Feb. 13 Evening Session" by "Dr. Beatrice Franke", scheduled from 19:00 to 20:00 at the "Kinnard Center (KC 303), Banff Centre". The interface includes navigation tabs for "Print", "PDF", "Full screen", "Detailed view", and "Filter".

Talk logistics

- Find your talk time, and upload your talk **before your session**

The screenshot shows a web browser window displaying the Indico contribution page for the WNPPC2020 conference. The page title is "WNPPC2020 - 57th Winter Nuclear Particle Physics Conference". The event dates are "13-16 February 2020" at the "Banff Centre". The user is logged in as "B. jamieson". The page is titled "Contribution" and shows a "Conference Opening" session on "14/2/2020 2:00 - 19:15" at "Banff Centre - Kinnard Center (KC 303)". The speaker is listed as "blair JAMIESON". There is a "Files" section with an upload icon. A red arrow points to this icon with the text "Add your file".

Add your file

Meals, reception, and banquet

- Check your booklet of meal cards!
- **Most meals in Vistas (you found it already tonight!)**
 - Larger ~350 person conference also running in parallel to ours
 - Dinner opens at 17:30; may want to get there when it opens
- **Reception is after tonight's session**
 - Just next door in KC305
 - A chance to meet everyone and kick off the conference!
- **Banquet will be Saturday night 17:30**
 - 4th floor of Sally Borden

Safety

- **There are some large animals in the area**
 - Bears likely to be hibernating
 - May see elk – keep a safe distance > 3 bus lengths
 - Make yourself big if they approach
 - Recommended to walk in pairs or groups
- **In event of fire**
 - Muster point is between Kinnear Center and Sally Borden
- **Avoid making tripping hazards**
 - Banff Center wants to avoid liability for any power for laptop

Conference Photo

- **Saturday AM, just after morning session, before lunch**
- **Meet just outside Kinnear Center**
- **Anyone have a nice camera we can take photo with?**

Student Prizes

- **Prizes will be awarded to the top three student talks**
 - **1st prize : \$500**
 - **2nd prize : \$300**
 - **3rd prize: \$200**
- **Judges, please stand!**
- **Awarded based on**
 - **Clarity of presentation**
 - **Accessibility of presentation to those outside research group**
 - **Level of contribution to discovery of new physics**

Welcome to WNPPC 2020!
