

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 120

Type: not specified

Neutrino charged current pionless cross section measurements from MINERvA (I)

Thursday, 29 June 2017 09:45 (20 minutes)

Presenter: Dr BETANCOURT, Minerba (Fermilab)

Session Classification: Neutrino CC and NC Scattering without Pion Production
