

## NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 107

Type: not specified

### Analysis of bubble chamber data on neutrino-induced pion production off the deuteron

*Tuesday, 27 June 2017 14:55 (20 minutes)*

**Presenter:** Dr NAKAMURA, Satoshi (Osaka University)

**Session Classification:** Neutrino Pion Production and Other Inelastic Interactions
