

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 165

Type: not specified

Modeling gamma-rays from the thermal neutron capture on gadolinium based on JPARC-ANNRI data

Tuesday, 27 June 2017 17:50 (2 hours)

Presenter: Dr LORENZ, Sebastian (Department of Physics, Okayama University)

Session Classification: Poster Session
