

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 76

Type: not specified

T2K: Impact of Cross Section uncertainties on the oscillation analysis

Sunday, 25 June 2017 14:15 (35 minutes)

Presenter: DENNIS, Steve (University of Liverpool)

Session Classification: Systematic Uncertainties and Impact on Oscillation Measurements
