

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Contribution ID: 75

Type: not specified

NOvA: Impact of cross section uncertainties in the oscillation analysis

Sunday, 25 June 2017 13:40 (35 minutes)

Presenter: WOLCOTT, Jeremy (Tufts University)

Session Classification: Systematic Uncertainties and Impact on Oscillation Measurements
