

NuInt 17: 11th International Workshop on Neutrino-Nucleus Scattering in the Few-GeV Region

Thursday, 29 June 2017

Neutrino CC and NC Scattering without Pion Production - 1101 (11:10 - 11:55)

time	[id] title	presenter
11:10	[123] Correlations in quasielastic-like neutrino-nucleus interactions	Prof. JACHOWICZ, natalie
11:35	[124] Weak quasi-elastic production of single hyperons from nucleons and nuclei	Prof. ATHAR, Mohammad Sajjad
